Dear Parishioners of St. John's,

Your steadfast and enduring patience have at last brought us all to a reunion. It may not be the full and unconstrained reunion we all yearn for, but it is a wonderful step in the right direction and more will surely follow.

Now, at the culmination of our annual stewardship campaign, we are asking once again for your prayerful consideration of your annual contribution to our church and its programmes, both financially, and through the donation of your time and your God-given superpowers.

Here in our stewardship team, we are very mindful of the ongoing challenges facing our church family, our wider community, our country and our world. It is only with your faithful support that St. John's continues to be committed to its mission "to be a spirited community at the heart of Port Moody, transformed through the experience of the presence of Christ, and sent out to share God's love." We wholeheartedly thank you for sharing your gifts.

Contained in your pledge package along with this letter is your pledge form detailing your financial gift, your superpower volunteer commitment form, and a letter from your church wardens. Please download, print, and fill in the forms and return them to the church by Sunday, November 14, 2021. You may email your forms to envelopesecretary@stja.ca, drop them off at the church, bring them if you are attending an in-person service, or mail the forms to the church.

And so, we ask you now to prayerfully consider what you are able to contribute financially and how you wish to share your ideas and abilities this upcoming year.

Sincerely yours,

Kristin Kuhn, Natasha MacDonald, Rosa Weisensel, and Geri Grigg
Your Stewardship Team
